HELP YOU
CREATE AND
CELEBRATE!

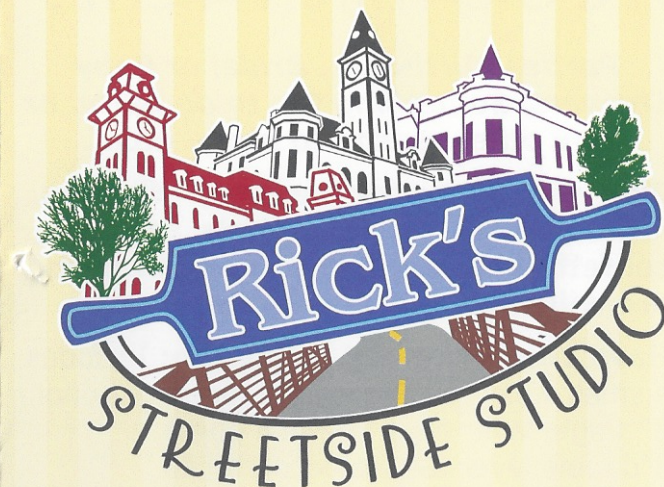

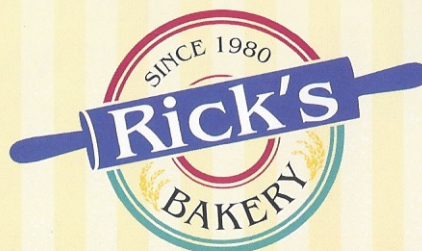

is the only officially
licensed bakery of the

ARKANSAS®
RAZORBACKS®

It all started here in 1980.

Rick and Sharon Boone opened Rick's Bakery in this small studio on College Avenue as a donut shop. What started out as a way to just get through college turned into a life-long passion of cakes, donuts, sweet treats, and more. The bakery grew and so did their love for the Northwest Arkansas community. So just remember if you are in Streetside Studio celebrating life's sweetest moments, you are sitting where Rick's began.
